

A decorative border of red circles surrounds the text.

Hello Everyone,

This week we are focusing on "EO."

There are four files attached to this email.

The first file is the front and back to make four index cards with "eo" and "eo" words. You can also follow along with a short youtube video I made: <https://www.youtube.com/watch?v=oOfaH0Yy7Sg&feature=youtu.be>

The second file has worksheets and handouts to practice writing and becoming familiar with the letter "eo." The third file is a powerpoint that focuses on four words containing "eo": "eomeoni" (mother); "eobu" (fisherman); "eohang" (fishbowl); and "eokkae" (shoulder).

The last file is a video I received from another teacher with a vowel song---feel free to dance along!

I hope we can get back to school soon and please let me know if you have any questions.

Best,  
Dah-hye
