

Hello Everyone,

First, please note the attached PDF titled "2020-4-18 Korean School of NE News & Announcement" for an update and news from the school.

The letter for this week is "U."

The next three attachments are related to practicing the letter, "U."

First, there is the worksheets and handouts to practice writing and becoming familiar with the letter "yo."

The next file has vocabulary sheets focusing on four words: u-san (umbrella); u-yu (milk); u-ju-seon (spaceship); and u-pyo (stamp). I have also uploaded this video reading these words,

The last file is a PDF to make four index cards with "U" and "U" words.

This week I have two more videos:
