

Hi Apple Class,

This week we are taking a quick break from the vowels and are doing shapes and colors.

The first attachment has a few sheets that you can draw and color in with your child. Color in the letters first and work through each page:

노란색 - Nolangsaeg - Yellow

파란색 - Palansaeg - Blue

빨간색 - Ppalgansaeg - Red

초록색 - Chologsaeg - Green

For the shapes, trace the letters and then the shapes:

동그라미 - Dongurami - Circle

세모 - Se-mo - Triangle

네모 - Ne-mo - Square

하트 - Heart - Heart

별 - Byeol - Star

Next we have two sheets to practice writing and reviewing the vowels---you can skip the two vowels that we haven't covered yet.

Next we have some books:

Storytime - What are we going to see? Follow along as we see all kinds of creatures and shapes! [https://www.youtube.com/watch?v=n\\_M83bbOEJM](https://www.youtube.com/watch?v=n_M83bbOEJM)

Storytime - Crayons of Seven Colors. Follow along as the seven crayons work their magic! <https://www.youtube.com/watch?v=v9zt-JDxAhs>

Both videos have English subtitles and can be used to listen for the words for the shapes and colors.

Have a great week,

Dah-hye
